The Best
Cough Drops
Are Drops
of Ayer's
Cherry Pectoral

Sixty years ago physicians first used Ayer's Cherry Pectoral, and ever since then it has been the standard cough remedy all over the world. Thousands of families, in Europe, Asia, Africa, and America, keep a bottle of it in the house ready for an emergency.

**Ayer's
Cherry Pectoral**
controls the spasmodic efforts of coughing, relieves the congestion in the throat, quiets the inflammation in the bronchial tubes, and prevents the lungs from becoming involved. There are many substitutes and imitations. Be sure you get Ayer's Cherry Pectoral. It contains no narcotic or poison of any kind. Put up in large and small bottles. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

(Continued from Page 1.)

AGITATOR'S GAME FAILED

WASHINGTON, D. C., July 19.—The much-talked-of report that in the Territory of Hawaii Russian peasant laborers imported by the Sugar Planters' Association were being held in peonage was exploded today, when M. Kerherge, Russian agent for the Council of State, filed his official report to the Federal authorities.

Kerherge investigated conditions in Hawaii after the labor unions had called upon Congress and President Taft to enforce the laws against persons alleged to have been guilty of holding the Russians in peonage.

Kerherge claims the Russians were not mistreated. The charges were not sustained, he said. The reports were not true. The Russians were sent to the States were latched up by professional agitators, and were unreasonable as well as without foundation.

He said also that the Russians in Hawaii did not want to return to their own country, but planned to get money to carry them on to California and to Canada.

The charges were first brought to the attention of the country by reports sent from Hawaii by agitators. Later the matter was taken up by Samuel Gompers, president of the American Federation of Labor. A big mass meeting was held in Madison Square Garden, New York, to protest against what the people there believed to be mistreatment of the Slavic peasants, and resolutions calling upon the Attorney-General and the Department of Commerce and Labor to stop the alleged practice were adopted. Copies of the resolutions were forwarded to President Taft.

LABOR BEATS CAPITAL.

CINCINNATI, July 19.—After the bitterest warfare in the history of strife between any individual concern and the labor unions, the Buck Stove and Range Company and the American Federation of Labor tonight came to terms of peace. The articles of agreement—the wage schedule, as it is called—was signed by President Gompers and the officials of the Stove Founders' National Defense Association.

The conflict between the Buck Stove and Range Company and the labor unions lasted for years.

ARMY OFFICERS SEPARATED.

WASHINGTON, D. C., July 19.—Following an inquiry into the condition of the Marine Corps, Colonel Lauchheimer and Prince were ordered to the Philippines, Colonel Denny to San Francisco, Boyen to Bremer, and Haines was made an adjutant. It is believed Blidde will succeed General Elliott. The investigation followed charges of bad conduct on the part of army officers in the Philippines.

PINCHOT AGAINST S. P.

SAN FRANCISCO, July 19.—Gifford Pinchot, ex-national forester, delivered a speech tonight in the interest of Hiram Johnson's candidacy for the Republican gubernatorial nomination.

Pinchot made a plea to the Republicans to nominate Johnson and the other insurgent candidates and to defeat the friends of the Southern Pacific Railroad.

TAFT APPOINTS A NEGRO.

WASHINGTON, D. C., July 19.—President Taft today appointed Winfield McKinlay, a negro, to the position of collector of customs in this city. McKinlay is a real estate agent. This is technically known as the port of Georgetown.

COUNTERFEIT OF GOLDEN EAGLE

There is at least one phoney eagle in town and there may be more so it behooves persons to examine the ten dollar pieces which they may receive.

One of the counterfeiters is now in the possession of the United States District Attorney and an effort is to be made to find if the coin is being made in the Territory or if it came in from the coast.

The piece which Breckons has come from a local bank which threw it out. It is thicker than the real article and somewhat lighter.

It is only fourteen cents fine whereas the regular coin is twenty-two cents.

The counterfeit is a good facsimile of the real article and unless closely examined can not be told from the genuine money which it represents.

A bank man says the beauty of an easy mark is but skin deep.

PURE air; pure food; pure water; pure soap.
They are of almost equal importance.

We cannot tell you where or how to get pure air, pure food or pure water.

But we can tell you where to get pure soap: Ivory Soap—at your grocer's.

Ivory Soap

99¹/₁₀₀ Per Cent. Pure
